

Monsters everywhere

Drawing a monster

*You play in groups of 2, 3 or 4 players and you need a dice.
Draw a body with a head.
Then throw the dice.
The dice shows 3. Draw one mouth.
Give the dice to your partner. The partner goes on.
Each player has 10 turns.
Colour your monster. What's the name of your monster?
Write the name of the monster.*

When you have finished the pictures you ask and answer questions about one another's monster.

Use the structures:

What's the name of your monster?

How many . . . has your monster got?

What colour's your monster?
