

I hear them, I hear them, I hear them on the roof!

The rein-deer is com-ing, I hear each pranc-ing hoof!

With a jin-gle, jin-gle bell and a clop, clop, clop,

and a clat-ter, clat-ter, clat-ter. at the chim-ney top.

I hear them, I hear them, I hear them on the roof!

2. I hear them, I hear them, I hear them on roof!
 He's coming down the chimney, old Santa Claus is here.
 With a jingle, jingle bell and a clop, clop, clop,
 and a clatter, clatter, clatter at the chimney top.
 I hear them, I hear them, I hear them on the roof!
