

# CROSSWORD

pets

The crossword puzzle grid consists of the following structure:

- A horizontal row of 10 squares.
- A vertical column of 5 squares, starting from the 3rd square of the horizontal row.
- A horizontal row of 4 squares, starting from the 5th square of the vertical column.
- A horizontal row of 6 squares, starting from the 5th square of the vertical column.
- A horizontal row of 3 squares, starting from the 7th square of the vertical column.
- A horizontal row of 5 squares, starting from the 7th square of the vertical column.

Illustrations and arrows indicate the starting points for the words:

- A fish above the 3rd square of the vertical column.
- A guinea-pig above the 5th square of the vertical column.
- A bird above the 7th square of the vertical column.
- A hamster to the left of the 1st square of the horizontal row.
- A dog to the right of the 5th square of the horizontal row.
- A rabbit to the left of the 5th square of the horizontal row.
- A turtle above the 7th square of the horizontal row.
- A cat to the right of the 7th square of the horizontal row.
- A mouse to the left of the 7th square of the horizontal row.

fill in: bird, cat, dog, fish, guinea-pig, hamster, mouse, rabbit, turtle
